

Our school trip and road safety

Tuesday 20th May 2025

We will be wearing a high visibility waistcoat so that other people can see we are in a special group, and you also know where you belong.

We will be crossing roads, so always check both ways-Look left and right, no cars in sight. Cross with an adult and hold your partner's hand. Check for all traffic.

Staying With My Class

Mrs Clitheroe, Mrs Thomson,
Mrs Slater, Fr Eddie and Mrs
Montgomery are all going with
us.

I can't do that when
we are out today. I
need to stay with my
partner, my class and
my adults.

Sometimes I feel like running.

1. First, we will walk to the train station and cross each road safely.

2. Next, we will catch a train and arrive in Blackburn.

3. Then. We will walk to see the Cathedral and have a look inside-we must show respect and stay with our adults.

4. Then we will walk to the museum and art gallery and spend some time looking around.

5. After that, we will have lunch and then do a workshop in the museum.

6. Then we will walk back to the train station to get our train back to Rishton.

7. Finally, we will walk back to school.
