Please complete booklets in pencil and these can be handed in within the final week of the term.

Children now have access to TTRockstars to start practising times table skills and passwords are stuck in the front of yellow reading records.

PurpleMash contains many exciting activities to support independent learning at home and sometimes activities may be added to supplement learning in school. We have covered online safety and Purple mash as a safer platform to use. Some safer websites to use at home are Kiddle, Swiggle and Kidsafe.
