

Evidence Me Help for Parents

Parent Share is a feature accessed by teachers via Evidence Me. It offers a quick, simple and effective way of proving “parental engagement” in the learning process.

How Parent Share Works

1. Once school/ setting has linked your email address to your child’s account, you will be sent a Parent Share invitation to activate your account.
2. If you would like to participate, click on the link to activate and confirm your email address.

PLEASE NOTE: If you do not receive your set up email please check your spam/ junk folder. If it doesn’t appear in there then please contact school directly to ensure this has been sent to you.

ANDROID USERS, PLEASE NOTE:

If your device is running Android 4.x (minimum requirement is v4.4) you will need to install an additional security certificate on your device in order for you to log in to the app:

1. First, check your device for Android system updates to see if there is a newer version of Android OS for your device
2. If there are no updates available then you will need to install an additional security certificate as follows:
 - Open an internet browser on your device
 - Go to – http://www.evidence.me/certificate/_2eskimos_com.der
 - In the “Name the certificate” box, type **Evidence.Me** into the Certificate name
 - Tap **OK**
