Dear Parents,

From September 2020, it became a statutory requirement that all schools in England and Wales teach Relationship and Sex Education as a fundamental part of the curriculum.

As part of implementing the RSE curriculum, schools must consult with the children, parents, staff and governors to ensure there is a general consensus on our approaches to policy and the curriculum content.

We will be starting our consultation process on Monday 15th March. The consultation will close on Friday 26th March. As part of this, parents, staff and governors, will be asked to read through the following documents and access the questionnaire which will be accessible via email:

Relationships and Sex Education Draft Policy

Understanding RSE – A guide for parents

Frequently asked questions

The documents that you are asked to read as part of the consultation are all accessible via the school website by following the link <https://www.st-peter-st-pauls.lancs.sch.uk/rse-consultation/>

Once again, thank you for all of your support and we look forward to reading your responses.

Take care,

Mrs Pendergast
