

St Peter and St Paul's Church of England Primary Religious Education Policy

Being 'Rooted and Grounded in Love' (Ephesians 3:17) we strive to follow the Lord's command to love God above all things and each other as brothers and sisters, making God's Kingdom a reality in our school and throughout our community.

Religious Education at St Peter and St Paul's lies at the very heart of our curriculum.

Our teachers adopt the Blackburn Diocesan Board of Education Syllabus for RE which reflects the National Framework for RE.

At least 5% of our Curriculum time here at St Peter and St Paul's is dedicated to RE, with special themed days and weeks taking the percentage higher.

As a Christian school, Christianity takes a central role in RE, taking up to three quarters of the timetable. Teaching about other faiths and world views is added to this.

Aims

The aims of Religious Education at St Peter and St Paul's are:

- To enable pupils to know about and understand Christianity as a living faith that influences the lives of people worldwide and as the religion that has most shaped British culture and heritage.
- To enable pupils to know and understand about other major world religions and world views, their impact on society, culture and the wider world, enabling pupils to express ideas and insights.
- To contribute to the development of pupils' own spiritual/philosophical convictions, exploring and enriching their own beliefs and values.

During Religious Education at St Peter and St Paul's we learn about:

- God who reveals the truth about himself and humanity through creation, the giving of the law, his action in history and through the prophets;
- God who reveals himself ultimately in Jesus his Son, living among us and dying and rising for us;
- God who reveals himself in his Spirit working in the living faith of the Church experienced through scripture, tradition and reason.

We learn from

- an empathetic response to the Christian faith and a critical engagement with it;
- responding personally to the stories and teachings of Jesus Christ;
- examples of Christian living which give priority to the values of unconditional love, forgiveness, reconciliation, justice, compassion and faith.

Religious Education at St Peter and St Paul's also helps pupils to:

- learn about other faiths, their beliefs, traditions and practices and from them through encounter and dialogue;
- recognise and respect those of all faiths in their search for God;
- recognise areas of common belief and practice between different faiths;
- enrich and expand their understanding of truth while remaining faithful to their own tradition;
- enrich their own faith through examples of holy living in other traditions.

Religious Education at St Peter and St Paul's also helps pupils to:

- reflect theologically and explore the ultimate questions and challenges of life in today's society;
- reflect critically on the truth claims of Christian belief;
- see how the truth of Christianity is relevant today;
- understand the challenge faced by Christians in today's pluralist and post-modern society;
- develop the skills to handle the Bible text;
- recognise that faith is based on commitment to a particular way of understanding God and the world;
- begin to develop their own commitments, beliefs and values;
- develop a sense of themselves as significant, unique and precious;
- experience the breadth and variety of the Christian community;
- engage in thoughtful dialogue with other faiths and traditions;
- become active citizens, serving their neighbour;
- find a reason for hope in a troubled world;
- understand how religious faith can sustain believers in difficult circumstances and in the face of opposition.;

Religious Education at St Peter and St Paul's enables:

- pupils and teachers to talk openly and freely about their own personal beliefs and practice without fear of ridicule;
- pupils to make excellent and appropriate progress in their knowledge and understanding of Christianity;
- pupils from Christian families to talk openly about their beliefs and values in lessons and to grow in their faith;
- pupils from other faith backgrounds to understand and be encouraged in their faith;
- pupils with no religious background to be given an insight into what it means to be a person of faith;
- pupils of all backgrounds to have a safe place to explore the ultimate questions and challenges of life in today's society.

Spiritual, Moral, Social, Cultural Development

Spiritual development within Religious Education enriches and encourages the pupils' discovery of God the creator, of their 'inmost being' and of the wonder of the environment. In addition to planned development of Spirituality staff also encourage spontaneity wherever possible.

Moral development is based on the teachings of Jesus Christ, which offer pupils a secure foundation stone on which to make decisions and build their lives.

Social development enriches pupils' understanding of what it means to live in a Christian community where Jesus' command to love one another is put into practice.

Cultural development provides opportunities to develop an understanding of Christianity as a worldwide, multi-cultural faith that has an impact on the lives of millions of people.

Marking is done in red pen and is against the lesson objective or a question to make the children think rather comment on spelling or grammatical errors, although spellings that should be spelt correctly may be underlined for the children to amend. Children respond to marking in purple pen where necessary.
