

St. Peter and St. Paul's C of E Primary School – School Friends Club (PTA)

School Friends Club – Newsletter

Who we are

School friends club is a small group of current parents, ex parents and grandparents of school who come together to put on fundraising events to provide extras for the children.

We have a current planning group of 9 people who plan and organise events and an additional 5 helpers who help us to actually run events, helping at activities such as discos and the spring fair.

Planning usually takes place on weekday evenings, and we have around 4 meetings a year and the rest takes place via What's App 😊. We are always looking for people to help with both planning and also helping at events – if you are bringing a child to a disco or the fair please do consider helping if you can on the day. There is no commitment apart from joining a What's App group and helping if you can. If you are interested in helping please let Mrs Clarkson or Emma in the office know.

Last year's achievements

Last school year you as parents helped us to raise a fabulous £ 6021.

We raised this money from discos, a summer fair, a stall at Church Christmas fair, the Santa Dash, pop up sweet stalls and the sponsored bounce.

This helped us to fund additional iPads and covers, the subsidy school trips, golden box prizes, Advent calendars and selection boxes, a contribution to year 6 dictionaries, a Christmas panto and a treat from the ice cream man.

We are really grateful to all parents who support our events. As we are mindful of the cost of living, the financial demand of parents and the small resources that we have in terms of helpers we deliberately stick to a small number of tried and trusted events.

You can keep up to date with our activities via the school friends club Facebook page
