

Spirituality Day – Monday 18th November 2024

On Monday we are having a Spirituality Day in school to explore different 'pathways' of spirituality.

Each class will be moving around school for a half hour session with different teachers and children will be completing a variety of activities throughout the day. Support staff who usually work with the children will move around with the class so that they have a familiar adult with them. Staff have planned some lovely activities and it should be a very enjoyable day for everyone, we will share photos with you next week.

Thank you

Mrs Pendergast (RE Lead)
