

Year 1 and Year 2 Family Friday

8.45am – 8.55am

It is lovely that so many families call into class on a Friday and we want to do everything we can to make this experience enjoyable for everybody.

To help get children settled quickly, please leave red reading bags at home on Fridays.

Please bring any out of school achievements on **Thursdays** so that they are ready to be presented.

Children who do not have families with them will be seated on the carpet at the front of class with the teacher or may have opportunity to work in the shared infant area. This will help keep the children together and avoid them becoming overwhelmed with a lot of visitors around them.

The teachers will lead a whole class activity and parents can help their child take part. This will help you see how different things are taught in class such as phonics and maths.

As teachers need to complete the register before Superstar, so that we know who is in school, they would be grateful if parents can say a quick goodbye and leave the classroom by 8.55am so that children can be lined up and taken into the hall.

Many thanks for your support and we look forward to seeing you throughout the year

Mrs Clitheroe & Miss Britnell
